EXECUTIVE DIRECTOR’S INFORMATIONAL UPDATE REPORT - Items for update, discussion and possible action:

A. Meetings, Events and Travel attended/upcoming
   1. Bluebonnet Electric Cooperative Economic Forum held on November 20. Mr. Talbot said that the forum had a very dynamic and informative speaker. Mr. Mills said they had talked about the importance of having ready sites available for prospects.

B. Update on BEDC Projects and/or Business:
   1. Main Street Program Update (Nancy Wood) – Ms. Wood reported that on her quarterly report to Texas Main Street, she showed $24 million in overall investment in the downtown area, with a net of two new businesses for the fourth quarter. She said Main Street Café is now open in the former Deli Depot location. Ms. Wood reported that the Bastrop Fine Arts Guild had removed the building on Chestnut in preparation for the gallery, and they saved as much of the original wood and materials as possible. They should begin construction on the new building by the end of the year.
   2. Update on the Bastrop EDC Business Park
      a) Project status update – Mr. Talbot said he was able to work it out with Mr. Coghlan to dump the 2,000 yards of dirt he needed to haul away as part of his expansion project, for BEDC’s future in the Business Park.
      b) Review of the proposed Master Plan for the BEDC Business Park – Mr. Talbot presented a preliminary master plan of the Business Park to the Board. He explained that it was divided into four phases, each of which could be broken down further into sub-phases. Phase 1 is the area south of South Street and would produce six marketable lots, including the 10.5 acre tract with regional detention, at a cost estimate of $1,379,000. Phase 2 would include the detention pond for phases 2, 3, and 4, extend Technology Drive and open up the 22 acres south of JAMCo, at a projected cost of $2,522,000. Phase 3 would open up the 15 acres east of the Jackson Street extension, with a cost estimate of $1,654,000. Phase 4 would extend the road from Jackson Street to the lot he recently acquired on behalf of BEDC, at a projected cost of $1,004,000. Mr. Talbot said that once the Board approves the master plan, he would like to put all the information together into
a booklet to give to prospects. He asked the Board to consider all of the options so they can discuss what steps they want to take at the next Board meeting.

3. Update on Bastrop Area Housing Study – Mr. Mills reported that the committee met for a conference call with RCLCO to review the second draft of the study. He said they’re still working on the depth of the housing demand in the Bastrop area, and trying to drill down the numbers to better reflect Bastrop as opposed to the MSA. He said it is obvious that we need to continue working on creating good paying jobs, but he would like input as to what is needed to create that job growth. Mr. Mills said Bastrop has a lot of strengths: strong community, historic downtown, outdoor recreation, lower land costs, improvements in the school system, and close proximity to the airport. He said he would like to consider the possibility of hiring a marketing firm to make sure that areas such as Dallas/Fort Worth, Houston, and San Antonio know about the great things happening in Bastrop.

4. Update on Downtown Parking and Traffic Study
a) Proposed SH 71 transportation improvements – Mr. Talbot reported that TxDOT said both the Hwy 71/Tahitian Village overpass and the Hwy 71/95 overpass have been funded. The one at Tahitian Village will be started by March 1 and will take approximately 22 months to complete. The 71/95 overpass is currently expected to begin in December. Mr. Talbot said that after the construction of the first overpass is underway, we will be better able to gauge the effect on downtown traffic.

b) Main Street Improvement Project – Mr. Talbot suggested postponing the project until January 2016, to avoid the potential for increased downtown traffic during TxDOT’s work on Hwy 71. Mr. Talbot said BEDC has about two years left on the bond proceeds. Mr. Talbot explained that the City Council asked him to undertake a downtown parking and traffic study in anticipation of the Main Street project, as well as address head-in versus parallel parking. Mr. Talbot said he had decided to do a lot of the work in-house and hire a traffic engineer on an hourly, as needed basis. Mr. Talbot said they were considering a pilot program to test parallel parking, and they might install a camera on the electrical pole to videotape throughout the day to see how it is working.

c) Alley D improvements (former Advertiser building) – Mr. Talbot explained that he envisions the Alley D Project as a joint project between the City and the BEDC. He reported that the City now owns the building, and the asbestos evaluation has been completed. The Veterans of Foreign Wars have requested the building be donated to them. Mr. Talbot said he is going to request that the Council stipulate a timeframe for removal of the building. He said once the building has been removed, they will put in temporary parking, with the ultimate goal to put in one straight slab of concrete that will provide an opportunity to build a parking garage in the future. Mr. Talbot said it would require the relocation of some infrastructure, but that he anticipates the lot will be ready for parking by May or June.

d) Parking lot at the southwest corner of Pine Street and Water Street – Mr. Talbot said the lot has been working well. The traffic consultant suggested installing larger signage to let people know the parking lot is open to the public.

5. Update on construction projects in the City of Bastrop – The Board discussed construction projects within the City under various stages of completion. Mrs. Ryan reported that Hobby Lobby had submitted their site plans.

Mrs. Ryan reported she had not heard back from Mr. Niece but had attended the meeting with Mr. Niece’s architect, civil engineer, and the Planning Department. Mrs. Ryan reported they may be requesting additional variances to the Restrictive Covenants.

C.2 Consideration, discussion and possible action on a proposal by the Bastrop Parks Board to use a portion of the Bastrop Business & Industrial Park for a disc golf course. Mr. Mills reported that he and Mr. Talbot had toured the acreage and he wanted to discuss it in Executive Session.

C.3 Consideration, discussion and possible action on approval of the proposed revisions to the BEDC Restrictive Covenants for the Bastrop Business and Industrial Park. Mr. Schiff made the motion to approve the Restrictive Covenants with the change to four feet, Mrs. Crawford seconded, and the motion passed.

C.4 Consideration, discussion and possible action on approval of the proposed revisions to the BEDC Bylaws. Ms. Brown went over the edits made from the last Board meeting, which included changing references to “President/CEO” to “Executive Director”, making absences and vacancies consistent with the other City boards, and removing the requirement to have two signatures on checks, since the City’s Finance Department processes all of BEDC’s payments. Ms. Brown said Mayor Kesselus had requested she add verbiage which would allow the Mayor to designate another City Councilmember to take his/her place on the BEDC Board until such time as he/she wished to resume the seat. After lengthy discussion, Dr. Gurwitz made the motion to approve the edits that were submitted for review, the change from Chairman and Vice-Chairman to Chair and Vice-Chair, and the change proposed by Mayor Kesselus, that the Mayor be given unilateral authority to designate a City Councilmember to serve on the BEDC Board in his/her place. Mr. Schiff seconded, and the motion passed, with Mr. DeLaRosa and Mr. Gutierrez opposed.

D. NEW BUSINESS

Mr. Schiff explained this concert was known as the Jazz Jam in past years. This year’s concert will be at the Performing Arts Center on February 17th, and it is the only Austin area stop on Eric Johnson’s concert tour. A sponsorship includes eight seats and back stage passes at the reception. Mr. Gutierrez made the motion for the BEDC to sponsor the concert in the amount of $1,000, Mrs. Crawford seconded, and the motion passed.
D.3 Consideration, discussion and possible action on the Bastrop Economic Development Corporation’s sponsorship of the 2015 Naturefest, in an amount to be determined at the discretion of the BEDC Board. Mr. Talbot explained that the City’s Park Department is bringing back the Naturefest event and they are requesting donations in any amount. Mr. Gutierrez made the motion for the BEDC to sponsor Naturefest in the amount of $3,000, Mrs. Crawford seconded, and the motion passed.

D.4 Consideration, discussion and possible action on a request by Donald Bennet for pre-approval of a mega-grant in the amount of $20,000, for renovations to interior and exterior of the building at 711 Chestnut Street. Ms. Wood said that Mr. Bennet purchased the two-story building that used to be leased as a karate studio, and he is planning to live upstairs and have a retail business downstairs. Mr. Bennet anticipates doing about $80,000 worth of renovations to the building, including floor stabilization, plumbing and electrical work, and installation of new windows. After a brief discussion, Mr. Schiff made the motion to approve the preliminary application, Mr. DeLaRosa seconded, and the motion passed.

D.5 Consideration, discussion and possible action on a request by Deborah Jones for pre-approval of a mega-grant in the amount of $6,250, for renovations to interior and exterior of the building at 713/717 Chestnut Street. Ms. Wood explained that Ms. Jones is leasing the building for a mediation center, and she has obtained approval from the property owner. Mr. Gutierrez made the motion to approve the preliminary application, Mr. DeLaRosa seconded, and the motion passed.

2. Section 551.072 - Deliberation about real property: ‘Project Copper’ and/or potential sales, acquisitions, exchanges, leases, dispositions or values of real property: Purchase of real property by the BEDC, disposition of real property by the BEDC, and/or City use of BEDC property.

Mr. Schiff made the motion authorizing Mr. Mills to select a land planner and coordinate it with Mr. Talbot, to come up with a preliminary land plan for the 40 acres in the Business Park that the
Parks Department requested they be allowed to use for a disc golf course. Mr. DeLaRosa seconded, and the motion passed.

Mr. Gutierrez made the motion to deed the BEDC-owned property near the rodeo grounds at Mayfest Hill (R36831 and R48757) to the City of Bastrop, Mr. Schiff seconded, and the motion passed.

Such authority may be confined to specific instances or defined in general terms. When appropriate, the Board may grant a specific power of attorney to carry out some action on behalf of the Board, provided, however, that no such power of attorney may be granted unless an appropriate resolution of the Board authorizes the same to be done.

On petition of ten (10) percent of the registered voters of the City of Bastrop requesting an election on the dissolution of the Corporation, the City Council shall order an election on the issue. The election must be conducted according to the applicable provision of the Texas Election Code. The ballot for the election shall be printed to provide for voting for or against the proposition:

"Dissolution of the Bastrop Economic Development Corporation of the City of Bastrop, Texas"
If a majority of voters voting on the issue approve the dissolution, the Corporation shall continue operations only as necessary to pay the principal and interest on its bonds and to meet obligations incurred before the date of the election and, to the extent practicable, shall dispose of its assets and apply the proceeds to satisfy those obligations. When the last of the obligations is satisfied, any remaining assets of the Corporation shall be transferred to the City, and the Corporation is dissolved.

SECTION XI
INDEMNITY

The Board of Directors shall authorize the Corporation to pay or reimburse any current or former Director or Officer of the Corporation for any costs, expenses, fines, settlements, judgments, and other amounts, actually and reasonably incurred by such person in any action, suit, or proceeding to which he or she is made a party by reason of holding such position as Officer or Director, provided, however, that such Officer or Director shall not receive such indemnification if he be finally adjudicated in such instance to be liable for gross negligence or intentional misconduct in office. The indemnification herein provided shall also extend to good faith expenditures incurred in anticipation of, or preparation for, threatened or proposed litigation. The Board of Directors may, in proper cases, extend the indemnification to cover the good faith settlement of any such action, suit, or proceedings, whether formally instituted or not.

Furthermore, as set out in the Act, the Corporation, a Director of the Corporation, the City creating the Corporation, a member of the governing body of the City, or an employee of the Corporation or City is not liable for damages arising from the performance of a governmental function of the Corporation or City. REVENUE: Sales Tax receipts represent 96% of the total budgeted revenue for the BEDC. As such, the line graph will be a good performance indicator as a comparison of sales tax receipts of the two previous fiscal years to the current fiscal year. Due to an audit adjustment that accrues our revenue into the period it was earned, the revenue earned in October and November is an estimate. Other revenue is included within the line graph to include Lease Agreement Income, Interest Income, and Miscellaneous Income.

The spikes reflected on the graph in FY2014 are tied to specific transactions. These include the reimbursement of expenses from the Combination Tax and Revenue Certificates of Obligation, Series 2013 in February 2014 of $102,638; and the transfer from Bond Fund proceeds to cover debt service costs in May 2014 of $200,261; and the sale of land in April and September for $93,475.

Line graph chart reflects monthly revenue incurred for three fiscal years. FY2013 includes October 1, 2012 thru September 30, 2013. FY2014 includes October 1, 2013 thru September 30, 2014. FY2015 reflects revenue received year-to-date for October 1, 2014 thru September 30, 2015. Data provided by City of Bastrop Finance Department records.
Sales Tax Revenue Chart
As of January 31, 2015

Sales Tax Receipts YTD reflect $634,965 and are greater than the prior year to date Sales Tax Receipts of $549,605.

* Date range in chart reflects current data of October 1, 2012 thru September 30, 2015. Data provided by City of Bastrop Finance Department records.
* Pie charts reflect FY2015 adopted budget and fiscal year-to date expenses as of January 31, 2015. Data provided by City of Bastrop Finance Department records.
EXPENSES: The line graph makes a comparison of the current fiscal year expenses to the last two fiscal year on a monthly basis. The funds’ basic operations or fixed expenses should stay relatively flat or fixed on the line graph.

**STANDARDIZED AGENDA RECOMMENDATION FORM**

**BEDC**  
**DATE SUBMITTED:** February 19, 2015  
**MEETING DATE:** February 23, 2015

**Agenda Item:** Consideration, discussion and possible action on a request for the Bastrop Economic Development Corporation to sponsor the Bastrop Job and Career Fair scheduled for May 8 and 9 at the Bastrop Convention Center, in an amount up to $5,000.

2. **Party Making Request:** City Councilmember Kelly Gilleland

3. **Nature of Request:** (Brief Overview)  
   Attachments: Yes ☒ No ☐

In December 2014, Councilmember Gilleland met with Councilmember McAnally, Mayor Kesselus, Bastrop Chamber President Becki Womble, BEDC Assistant Angela Ryan, and Workforce Solutions’ Murphy Roland to discuss holding a job fair in Bastrop. Since that time, the Bastrop City Council agreed to sponsor the event by donating the use of the Convention Center. In order for BISD students to attend, the event will be two days: Friday will be focused on students looking for either a job or a career path. Saturday will be for job-seeking adults and those considering a career change. For two weeks leading up to the event, Workforce Solutions will offer free seminars on resume writing, communication, interview preparation, etc.

This is the first year for the Bastrop Job and Career Fair, and additional funds are required to pay for advertising, snacks and lunch for the employers/vendors, signage, a pre-event luncheon to bring all of the potential employers to the Bastrop Convention Center, etc. Councilmember Gilleland is requesting BEDC sponsor the event in an amount up to $5,000.

Yes, $8,000.00 is correct. This funding will be used to complete a 4-minute video titled "When Texas Began" depicting the highlights of the Baron's life and focusing on his infamous meeting with Moses Austin in San Antonio. This was the meeting in which the Baron convinces the Spanish governor of Texas to change his mind and allow Moses to establish the very first American colony in Texas. This exchange has never been dramatized so we'll be making history by portraying history.

Once complete, this video will replace the current one currently being played at the Museum and will also serve as a promotional tool to acquire the funding for the full mini-series documentary titled "Mark of the Baron," an in-depth video biography of the Baron's life. Footage shot in making "When Texas Began" will also be used in the full documentary.

The large screen / laptop combo will work great. My presentation consists of addressing the board and playing the unfinished video which is self-explanatory in its needs for completion.

Here's a link to the video which I've stored on YouTube...

https://www.youtube.com/watch?v=G7zlYR6avq8

I will bring the same video file on a memory stick which I can play directly from your laptop. I'll come in a little early on Monday to make sure everything works.

Thanks!

A RESOLUTION OF THE BASTROP ECONOMIC DEVELOPMENT CORPORATION, CONCERNING STAGGERING THE TERMS OF SERVICE OF THE DIRECTORS OF THE CORPORATION; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the City Council appoints and confirms the members of the Board of Directors of the Bastrop Economic Development Corporation (“BEDC” or “Corporation”), which operated pursuant to the Texas Development Corporation Act, its Articles of Incorporation, its Bylaws, and the City’s Code of Ordinances, as applicable; and

WHEREAS, the City Council of the City of Bastrop has determined that it is in the best interest of the administration of all of the City’s Boards and Commissions, including the BEDC, to have the Directors of the Corporation stagger their terms of service, to avoid instances where the overwhelming majority of the Board is ‘newly appointed’ by the Council, at any single point in time; and

The terms of those two (2) Councilmember Directors shall expire on the sooner of either: (a) the end of two years from their appointment dates, or (b) the expiration of their term(s) on the City Council. Their vacancies are filled by appointments made by the City Council, in accordance with the Charter and State law.
